

philgaudion

"I've watched Phil play far and wide across the USA, he has a heart for worship and a willingness to share his love for Jesus through his music"
- Mac Powell, Third Day, USA.

tools for drumming in church

Looking for some wise direction for your church drummer? Phil Gaudion, drummer for the Grammy Nominated and Dove Award winning "Paul Colman Trio" shares his wealth of drumming experience on DVD.

Tools for Drumming in Church is an invaluable and informative DVD that will challenge and inspire drummers playing in your band or worship team. This DVD will empower experienced and inexperienced musicians to use their gift with the sensitivity needed for church congregational worship.

Including:

- Volume Control
- Time Keeping
- Song Construction
- Drum Kit Tuning
- Microphone Placement
- Working with the PA team
- Following the Worship Leader
- Monitoring and FOH
- Includes full musical backed examples

Look out for Phil instructing at a seminar or team tutorial near you. Check out www.philgaudion.com for tour dates, booking information technical details and more.
